ZODIAC NEWS SERVICE

Dec. 12, 1975

Harold:

Enclosed is ZNS story, plus a copy of Reuters' dispatch from last Thursday. Marks on the Reuters' story were made by radio newswoman who broadcast it Thursday evening on KSAN in San Francisco.

Also, I heard CBS radio account of your press conference -- I think it was voiced by Neal Stonger (I don't know how to spell his name).

Jon
